PROFILE

BFA Animation graduate from NTU with marketing and business development experience across corporate, fintech, and freelance client-facing work. Proven track record proposing marketing strategies that get adopted, producing brand-consistent campaign assets, and independently managing 50+ client relationships from pitch to delivery. Looking to bring this into a digital marketing / business development role focused on client growth and campaign performance.

EDUCATION

Nanyang Technological University, Singapore

Aug 2022 – May 2026

Bachelor of Fine Arts in Animation, School of Art, Design and Media

- Award: 2nd Place, NTU x Imperial College London Health & Sustainability Design-a-thon

Certifications: Integrated Marketing Communications; Brand Identity and Strategy; Artificial Intelligence in Marketing — IE Business School / University of Virginia, Coursera (Jun 2026)

WORK EXPERIENCE

Venture Corporation Limited

May 2025 – Jul 2025

Marketing Intern

- Proposed 3 marketing strategies that were adopted into the team's content planning and R&D initiatives
- Produced 17 brand-aligned video and illustrated social assets while maintaining strict brand consistency across platforms
- Partnered directly with engineering to translate technical product features into customer-facing marketing collateral

Freelance, Global Clients

Jan 2021 – Jun 2026

Illustrator & Client Account Manager

- Independently sourced, onboarded, and managed 50+ personalised commissions for a global clientele, handling the full client relationship from briefing through delivery
- Maintained consistent 5-star client satisfaction and repeat business by managing timelines, revisions, and expectations to established style guides

Elevandi

May 2024 – Jul 2024

PR & Communications Intern

- Produced and formatted presentation and collateral assets for the Point Zero Forum, meeting professional brand standards for a global audience
- Designed 10 marketing posters and visual collateral for external-facing PR outputs

NTU FEST (NTUSU)

2023 – 2024

Publicity & Publications Director

- Led full design output, including posters, social visuals, and merchandise, while managing a design sub-committee of student designers and mentoring their work to keep delivery on schedule

SOCRAT AI (Singapore Ed-Tech Startup)

Aug 2024 – Sep 2024

Freelance Video Editor

- Wrote and produced a 3-minute animated explainer video, translating a complex AI platform into a clear narrative for a launch audience

PROJECTS & LEADERSHIP

JASMINE, Capstone Project

Aug 2025 – May 2026

Director & Illustrator

- Directed a multidisciplinary capstone spanning illustration, world-building, and original music, managing the full lifecycle through to physical and streaming release
- Independently shot, edited, and posted mobile-first promo content; one short-form video reached 2,000 organic likes on TikTok

UNI-VERSE, Placemaking Project

Feb 2024 – May 2024

Visual Director

- Directed visual production and a 35-slide stakeholder deck, presented directly to CapitaLand executives
